The husband stated that his wife had hit him in the face. The wife stated that her husband was intoxicated and grabbed her by the arms and throat. She did hit him in the face in attempt to get him away from her. The husband was arrested for domestic battery. The wife was issued a domestic violence handbook and refused any further assistance.
- 11-2156 04-06-11 Officers responded an Algonquin Road residence for a reported husband / wife domestic. On arrival, officers spoke with both parties separately. Dear Chief Murphy,

The Glendale Heights Police Department held a mock assessment on Thursday, April 28, 2011, as part of our drive to attain our first reaccreditation through the Commission for Accreditation for Law Enforcement Agencies (CALEA) process.

The mock assessment consisted of thirteen CALEA assessors and managers from various local police departments, through the Illinois Police Accreditation Coalition (I-Pac). The purpose of the mock assessment was to give our Department a report card on how well we are doing towards our CALEA on-site assessment, areas in which we needed to revise policy and procedure, and areas where our CALEA files needed improvement. A mock assessment prepares an agency for the rigorous CALEA on-site scheduled in a few months.

Accreditation Manager Bill Walsh from the Barrington Hills Police Department was one of the assessors for our mock. We sincerely appreciate the time, effort and expertise Bill gave us that day. We received a fair and accurate assessment of our progress, as well as ideas for future improvements. Bill's suggestions and comments will help guide us towards a successful accreditation.

The Glendale Heights Police Department thanks you for your commitment to the CALEA accreditation process. Department members like Accreditation Manager Bill Walsh are a credit to that commitment, to your agency, and to the people we serve.

Sincerely,

Michael S. Marron
Chief of Police

Chief Michael N. Murphy
Barrington Hills Police Department
112 Algonquin Road
Barrington Hills, IL 60010

Dear Chief Murphy:

On behalf of the Arlington Heights Police Department, please accept my sincere thanks for the expert assistance provided by Investigator Ronald Ruffin as a representative of your agency and member of the Major Case Assistance Team (MCAT).

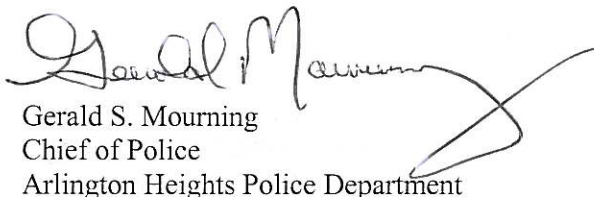

The Major Case Assistance Team was activated to provide investigative and forensic support in connection with a homicide that was discovered in our town on April 14, 2011. On that date, at approximately 0745 hours, patrol officers responded to a residence at 1031 N. Wilshire Ln. for a death investigation. Upon their arrival, they were met by a frantic female who stated that she was asked by the homeowners employer to check on his wellbeing after he had not showed up to work for several days. After being allowed into the home by the victim's son, she discovered that her ex-boyfriend (homeowner) was deceased and had been the victim of a violent crime. Immediately prior to the arrival of the police, the son fled the home in his father's vehicle. After a chase that involved numerous suburban police officers, the son was taken into custody for questioning in his father death and returned to the Arlington Heights Police Department.

The responding MCAT Investigators spent many hours canvassing the neighborhood attempting to learn the identity of the remains, and the Forensic Technicians worked long hours processing the scene.

During the exhaustive witness canvass and subsequent investigation it was learned that not only had the son of the victim been involved in this heinous crime, but that he also enlisted the help of an ex-cellmate and several of his friends. After several days of tireless interviews and follow-up, four individuals were arrested and charged with First Degree Murder and Armed Robbery.

If not for the tireless efforts of your Investigators and Forensic Technicians, this case would have been very difficult to solve. Please convey my appreciation to your staff for the valuable assistance they provided to our community and their dedication as evidenced by their ongoing commitment to and participation in MCAT.

Sincerely,

Gerald S. Mourning
Chief of Police
Arlington Heights Police Department
